

# Card Controls – Turning a Card Off/On

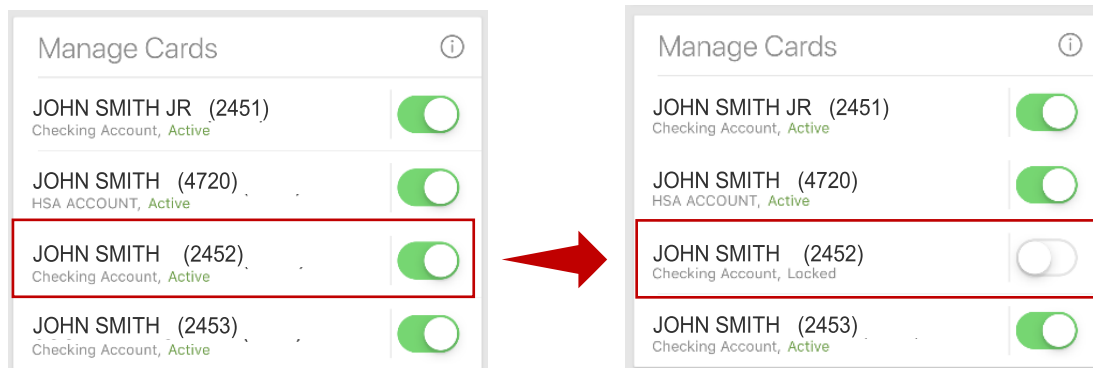

The River Valley Bank Mobile app makes managing your debit cards easy.

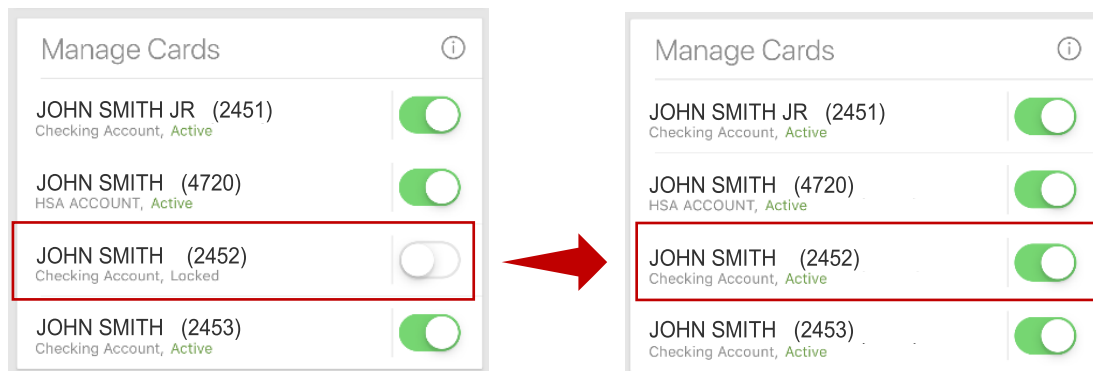

## LOG INTO RIVER VALLEY MOBILE APP:

Find the card you wish to turn off/on listed under the **Manage Cards** section.

Select the green radial switch next to the card to turn off.

Log into the app and select the radial switch again to turn the card back on.

**Note:** If you believe your card has been lost or stolen you can quickly report it through the River Valley Mobile app. You should then contact us at your earliest convenience to confirm the action and order a new card.
