

e-Statement Set Up

In order to set up e-Statements for your account(s) you will need to log-in to your online banking account.

Log-in to Online Banking

- To access or set up your online banking account you will need your 24-hour banker ID.
- If you do not have this number readily available you can call our Customer Experience Team at 888-842-0221 OR visit your local branch and a representative will be able to provide that number to you.
- If this is your first time logging in your password will be the last 4 digits of your social security number. You will be prompted to change the password immediately.
- Your password must include letter(s), number(s), and at least one (allowed) special character, which will be listed for you.
- You will also be prompted to choose a personal image along with three security questions/answers for added security.

Set up e-Statements

- Click on the "e-Statement" tab in the grey bar at the top of the page once logged into your online banking account.

- Then click on "Sign Up/Changes".

- Agree to the Terms and Conditions of receiving e-Statements.
- After agreeing, your account(s) will appear and there will be a check box next to each account. Make sure your account(s) has a check next to it and then click "Save".
